

The drawing consists of two parts: a plan view (top) and a cross-section view (bottom).

Plan View (Top): Shows a road layout with a total width of 270m. The central section is 225m wide, divided into two 112.5m segments. The shoulders are 22.5m wide on each side. The text "(270-225) (od km 0+000 do km 0+026)" is repeated twice, indicating the width of the roadbed sections. The shoulders are labeled "75 lub do granicy pasa".

Cross-section View (Bottom): Shows a road cross-section with a total width of 12m. The roadbed is 10m wide, with 2% slopes on both sides. The shoulders are 1m wide on each side, with 8% slopes. The centerline grade is 0.00%. The road is divided into three lanes: 3m, 1m, and 2m wide. The side slopes are labeled 1:1.5.
